President's Letter

Hello fellow club members

The Hub rally to Maitland was 4 very enjoyable days, starting with a relaxing Postman's River Boat cruise and lunch which was the perfect beginning to the weekend. The Australian Army Infantry Museum, Maitland Gaol, a great day with Maitland Vehicle Club, "Lost in the 50's" and a tour of Newcastle were just some of the places we visited. Thanks go to Harry and Laurel Huckstep for their hard work to make such a great weekend. The choice of weather was fantastic too.

Our club has run the Berrima Rally in February for over 40 years, hosting over 100 vehicles from clubs all over the state. We chose to cancel the event for this year and to review in June what our club would like to do in the future for the third

weekend in February. Do we, as a club, want to resume this rally or perhaps run a different style of event on 18-19th February 2017? There are a couple of different ideas being suggested and your opinions of what we can do as a club would be appreciated.

From the Maitland Vehicle Club President, a proposal was made to have a joint weekend away each year in different town in NSW. This was welcomed by our group and conversations have been happening since. Please look out for the details in the coming months.

Is there something you would like our club to be part of with our vehicles? Our events team are more than happy for any different outings.

Are you receiving the emails about coming events? If not please email me your new address to mmplummer@bigpond.com

Happy motoring
Michael Plummer

Maitland Hub Report by Nathaniel (9 almost) and Juliet (7) Plummer

Dad got us up early on Friday morning and we headed off in 'Cecilia' ('47 Sunbeam Talbot). After a long drive we arrived for the Mail boat tour. The Anzac biscuits were as big as our head and were really yummy. We ventured outside to see the river. There was lots of jellyfish in the water. From the top deck we could see lots of houses. There were a few dogs along the way at the different mail drop off jetties. After our lunch we went and spoke with the Captain. He let us both have a drive of his ship. We even saw a couple of dolphins in the water.

Nathaniel saw a park on the way into the harbour so we went to explore it. A path behind the ark lead up the hill where we found some bush turkeys.

There was another drive up to our hotel in Maitland. Our room was up some stairs and we had 5 bed for the 4 of us. The kids play area where we had dinner was fun. We said hello to the group from the car club before bed.

Breakfast was in the little meals room and we headed off for another drive. Juliet went in the back of 'Ruby' ('64 XM Falcon) with Gran and Pop.

We arrived at an Army museum where there was lots of guns and army cars. Even a helicopter that the man let us climb into. There were lots of buttons and switches. We had an ice cream and the army man showed us in the troop carrier that was outside. After a short drive we found a cool park in Singleton to have lunch in. Two good flying fox swings were there.

We drove back to our Motel. Dad and

Nathaniel did a couple of things on Cecilia while mum and Juliet went and got some pizza for dinner. Eric and Sandra came to our room so mum and dad could go out. We watched a couple of movies, played the Ipad and read a few books. We kept them up until mum and dad got back.

Sunday was another early morning, we drove a while before we parked our car with lots of other cars. Another car club gave us some morning tea and we went and looked at the cars with mum and dad. A man had a cool merry-go-round that he let us both try. It was cool. There were lots of cars, a jumping castle, pony rides and even face painting. We waited for the raffle but didn't win anything. We then went off to lunch with another car club. There was lots of food and a cool park opposite that was by the water.

We drove back and went to the club again for dinner. We found some computer games this time as well as the cool play area.

On the Monday morning we drove down to Newcastle and left a car where everyone else had gone. We drove with the directions and found Nobby's Beach. We ran up the beach and collected a few shells on the way. There was a big rock walkway out to a point where we saw lots of schools of fish. There was even a big boat being push by some tug boats as we were walking. We had fish and chips and milkshakes with Gran for lunch looking over the beach. We then picked up Cecilia and drove home. It was dark by the time we got home. We had a great weekend.

B.D.H.V.C. HUB RALLY TO MAITLAND IN MAY.

Morpeth

by John Glennon

Congratulations Harry, you did a great job! We were glad to be home for a rest. What did we do – you may wonder. Well we delivered mail Friday morning from Brooklyn by boat. Morning tea & lunch on the boat. What a great experience! The day was sunny & calm on the water. Some visited the town of Morpeth on the way to our motel in Rutherford. After settling in to

our motel we had dinner at the City Bowls & Rec Club just behind the accommodation, after which we had a get together at the motel to meet a rep from Maitland Club to tell us what they had planned for us on Sunday. We must be ready & on the road at 7am sharp. Saturday we visited the Australian Army Infantry Museum at Singleton. Tom Rolfe was in his glory! Then Sat. arvo the ladies had an intro to papercraft thanks to Laurel.

In the evening we took a tour of the Maitland Gaol. Our tour guide was a former warder & he was able to make our hair stand up on the back of our neck with his tales. This didn't finish 'till 11pm and we had to be up & ready to go by 7am!!.

Sunday 7am Ian, President of Maitland Car Club, was there ready to lead us to a Show & Shine of 500 cars. Morning tea was supplied by Maitland Club.

After a beautiful day of looking at all these cars we were invited to a huge two course lunch which Maitland Car Club members prepared for us. Each of us were presented with a laminated certificate of our weekend with them and an invitation to meet again next year. THEN !! we were taken on a scenic tour on which some of us got lost. John, my brother in law, knew where he was going but we didn't. Dinner that night we didn't eat much.

Prison Art

Monday, Harry was able to organise a tour of “Lost In the ‘50’s” at Cameron Park on our way home. Then some were able to do a look around the changed Newcastle Harbour thanks to very good directions. We didn’t return that day as those we travelled with to W.A. had organised a reunion dinner for us. That is what this car club is like. Thanks Harry & Laurel. You organised a great rally. What about ANOTHER one day.

Early notice for Long-week-end in June 2017 Following our great weekend at Maitland where we enjoyed the company and hospitality from the Maitland Classic Motor Association the conversation continued about a yearly joint weekend. It has been suggested that we go to the Blue Mountains in June 2017. The Conference Centre right next to Scenic World is able to offer us accommodation from Friday dinner to Monday morning . Fully catered for including a “Christmas in Winter” special dinner on the Saturday night. We are looking for a showing of interest at the June club meeting as we need to pay the deposit that week.

EVENTS RULES

It is a legal condition that vehicles on historic plates (conditional registration) record their movements with the Club. Therefore, please ensure that your details are recorded in the Events Book circulated at each meeting. Also, sign the Run Sheet at all Club runs. When attending a secondary club run or “invitational” run (marked “I:”) you must contact the Plates Registrars, Eric and Sandra Worner (4871 1620) or the President, Michael Plummer (4628 8221) and advise them of your vehicle's movements.

Plates Registrar – Eric Worner: transfer of registration to Beverly Worner for a 1934 Ford 54547H.

Members have been asked to keep an eye out for a 1910 Delage, cream and green. It had been left on a trailer outside the owner's home in Broadmeadow and someone stole it. (car has since been found)

CMC – Report is available after the minutes

CHMC [Bush Council] – No Report

Bargo Hall – Jenny Harkness Nothing to report.

Raffle drawn – Bill Robertson

Editor – Jenny If you take photos please send them in. They make magazine more interesting..

Events Past Events (*you missed these*)

March 12 - Camden show. (Report from President Michael). Great day. Got there early and the best time as hardly any people were there. Displays were good & Fireworks in the evening great. about 80 vehicles got to drive around the Showground. Melissa entered five things in the needlecraft competition and got a 1st, 2nd, two 3rd's and a high achievement.

March 20 – Visit George Egan's shed. George is in 90's. You can learn a lot. He has some really interesting stuff in his shed. There was a great lot of fun and music made with the pianola.

March 12 - David Wolfe Morning Tea run – very good

March 25 - David Wolfe Morning Tea run on Good Friday (report from Dianne Jobson) Great photo spread in the magazine - thanks to Ken Harkness. Dave's family had a lovely time. They disappeared to do their scavenger hunt and left Dianne to do all the work.

March 25/26- Bush council Easter rally in Temora – (Report from Gary Fuller). Splendid job was done by the committee in pulling together the rally in 12 months. There were 131 entries with 126 vehicles on the road. Evan Quarmby from the Razorback club took out concourse for his Cadillac, a magnificent machine.

(His daughter was the youngest driver). The next rally will be in Albury-Wadonga. This will be the 50th anniversary over historic weekend on 15 May with a target of 1,000 cars.

April 2 – Berrima machinery vintage car and swap – (Report from Gary Fuller). There was a '62 VW Kombi selling coffee (is fascination the car, the coffee or the 2 young ladies who were running it)

April 03 - Goulburn swap meet – massive. Very worthwhile to take junk down – and sold!

April 09 - Macarthur Gardens Retirement Village – (Report from Alan Barker). Great day. Most cars parked on driveway of residences and people loved having the cars there. Most popular car of the day was an A model Ford. Most unique car was awarded to Alan Barker (the HUGE trophy he was awarded spent the night on the front table blocking the view of the committee).

April 10 – classic car day at Robertson Heritage Railway Station - beautiful day 100 cars easy

GENERAL BUSINESS

Maitland Hub Rally - Harry Huckstepp gave a quick rundown

Club event attendance sheet Discussion on the request to complete the Club event attendance sheet annually. Currently Eric Worner is required to go through the Events book and complete this record. By each member completing the sheet and handing it in with club renewal will relieve him of a HUGE administrative burden. Concern was raised over members who have difficulty in attending three events. The following suggestions were made for consideration:

- associate membership for people who cannot attend 3 events;
- trying to encourage people to come out;
- Meetings should be included in the 3 events.

Amendment to Constitution Need 21 days' notice to amend constitution. The three items listed in magazine are to be voted on in May.

Public Officer With the sad passing of Andrew Lidden the club needs to appoint a Public Officer.

Nominations received and accepted were:

Gary Fuller: Nominated by Eric Worner. Seconded by Allan Barker.

Michael Plummer: Nominated by Peter Mills. Seconded by Mike Myers.

Show of hands by Club members voted Gary Fuller as the Public Officer for the club.

Shed discussion – Peter Mills ;List of items in green shed were displayed. The items were free to take if people can use them. Most of them have nostalgia value. The shed will still be used for storing items identified to be kept, just scaled down equipment. Other items were distributed as requested.

Meeting closed at 9.15pm

**BERRIMA DISTRICT HISTORIC VEHICLE CLUB INC.
GENERAL MEETING MINUTES – May 2016**

Held on 11th May 2016 at Bargo Sportsground Hall. Meeting opened at 8.05pm

Members Present – 33members **Members Apologies** –12 [as per Attendance Book]

President Michael welcomed everyone to the meeting including prospective members Dave Auchterlonie(Mustang), Geoff Rookard, Philip Denison (Jeep), Robert Ellis (Jeep), Peter Suttor (Plymouth), Peter Cartwright (Mustang) and Colin Cameron our guest speaker who will address us concerning some metal based lubricant car products at the end of the meeting.

Minutes of Previous Meeting were accepted as read as published in the magazine.

Acceptance of minutes Moved: John Holton Second: Gary Fuller. Carried

Matters arising from minutes Gary Fuller advised that he has notified Dept of Fair Trading of the change in our Public Officer.

Comments on the theft of the 1910 Delage car. It was found several days later.

The trailer has not been retrieved. The trailer was worth more than the car.

REPORTS

Treasurer's Report – Jenny Harkness. A detailed monthly report was given and is available for inspection. **Acceptance of the Report:** Moved: Treasurer;

Seconded: Allan Barker Carried

Membership –Leon Myers The current status of membership is 89 members with 61 vehicles on club plates.

Plates Registrar – Eric Worner; New registration received from Bill and Gay Flegg for a 65 Mustang 57779H.

A new registration books need to be printed prior to Rego Day. Permission given to obtain these.

Eric stated there was still some confusion for people having with cars on historic vehicle plates and the 60 days system. For club events you carry the magazine with you and you don't have to fill out the log. If you are using the car at any other time then you need to fill out log book otherwise you run the risk of getting a fine for not being registered.

CMC & CHMC [Bush Council] – No Report

Bargo Hall – Peter Mills: A new sprinkler system is to be installed in the oval.

Discussion is taking place regarding the pulling down the green shed and replacing the toilet block near the entrance of the grounds. Lights in hall are to be fixed.

Raffle drawn – Bill Robertson

Editor – Jenny Harkness.Photos are great- please supply. Stories are needed by 27 May.

Events – John Glennon; Previous runs April 15 – David Wolfe Morning Tea run to Nepean Dam –very successful with 22 cars attending it was a lovely day.

April 17 -Classic Car show at Sussex inlet – John Glennon got 2nd in Best Ute contest Anzac Day:Picton. Peter Mills reported that four cars attended.

Eric report that Mittagong went well. Both had large crowds attending

April 29 - Morning Tea at Lake Alexandria was good.

April 30 - Falling leaves at Tumut – John Glennon reported that the street parade could have been better but the apples were great.

April 28 – Dad's Army movie Day – charity day to support the Southern Highland Parkinson's Support Group went very well and made \$2400.

Coming Events see Events in magazine

May 13-16 – Club Maitland rally. There are 38 people going. Harry has ordered four perfect days from the Weather Bureau.

October 08 – Show and shine in Bargo

Librarian – Greg; The library is available for all members to use, please take advantage of this. Two Chev books have been donated by Val Sutherland.

Acceptance of the Reports; Moved: Eric Worner Seconded: John Holton

GENERAL BUSINESS

Berrima Rally – Bookings are still in place for the third weekend in February 2017. The decision to commit to the rally or an alternative event to be discussed at the June meeting.

4.2 Welcome David Auchterlonie has now attended the required meetings and has been welcomed into the Club. He brings with him a red Mustang.

4.3 A request has been received from Viv Coady to be an associate member.

4.4 A matter was raised that a left hand drive vehicle did not have a sign displayed. A check with the RMS has identified that this is not required.

4.5 Another club has started in Mittagong – Trucks and machinery (Rob Morris) with a \$25 joining fee

4.6 Amendment to the Constitution Three items for change to the constitution were listed in the April magazine to be voted on at the May meeting.

Special Resolution 1

That the club's constitution be amended by deleting the words "Road and Traffic Authority" where they appear in Rules 3 (ca), 3 (da), 14(a) and 14(c) and replacing them with the words "Roads and Maritime Services."

Discussion declined by members. Voted & Carried

Special Resolution 2

That Rule 10(d)(v) of the club's constitution be amended by deleting the words "Election of Auditor Authority" and replacing them with the words "Election of an Auditor (or, if the meeting decides not to have an auditor, the election of two members who are to jointly review the annual accounts and report to members on their apparent accuracy and completeness.)"

Discussion declined by members. Voted & Carried

Special Resolution 3

That Rule 16(f) be amended by adding the sentence " (Notices may be sent by email as well as by post)." So that 16(f) reads, "Notices sent by post shall be deemed to have been received two days after the date of posting. (Notices may be sent by email as well as by post)."

Discussion was around:

- amending *email* to *electronic means* to reflect developing technology options such as SMS;
- delivery dates of two days is no longer supported by Australian Post who advertise delivery dates of six days.

Put to the meeting Not supported. Further discussion revealed there were several other anomalies that need to be reviewed in our current Constitution.

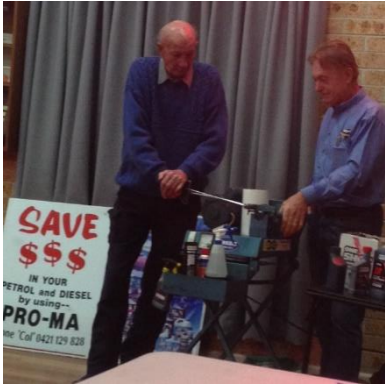

These covered:

- changes to wording to reflect the name change of Dept of Fair Trading
- questions around criteria for membership.

The meeting agreed that the team that had reviewed the Constitution (Peter Mills, Gary Fuller, Bill Betts and Michael Plummer) would reconvene and discuss further changes that would be presented to the members in June.

4.6 Presentation by Colin Cameron of Sydney Performance

Colin donated an extra raffle prize. He provided a presentation on Pro Ma performance products for your car. The products are metal based lubricants (MBL) that includes petrol and diesel treatments and spray that has been nick named “Magic Spray” and makes WD40 look like water. The petrol treatment also has lead replacement and will give better performance and power. You can follow up on his products at [www. SydneyPerformance.com](http://www.SydneyPerformance.com).

<p>Step 1 – Tom applies pressure. Horrible screeching sound ensues <i>Visual sound effects: #+/%/#*</i></p>	<p>Step 2 – Colin administers MBL and Tom re-applies pressure. He has to lift the machine off the bench to get any noise <i>Visual sound effects: (sounds of silence)</i></p>
	

Meeting closed at 9.25pm.

On a more serious note

Working people frequently ask retired people what they do to make their days interesting. Well, for example, the other day I went into town and walked into a shop. I was only in there for about five minutes when I came out and there was this cop writing out a parking ticket. I went up to him and said, "Come on, man, how about giving a retired person a break?" He ignored me and continued writing the ticket so I called him a "Nazi." He glared at me and started writing another ticket for having worn tyres. So I called him a "doughnut-eating Gestapo." He finished the second ticket and put it on the windscreen with the first. Then he started writing a third ticket. This went on for about 20 minutes. The more I abused him, the more tickets he wrote. I didn't really care. I'd come to town by bus.
