BDHVC President's Message

April /May 2014

Hello again,

Winter approaches and the leaves are turning to those beautiful shades of gold, orange and crimson.

At the recent display day at Wollondilly Anglican School there were cars in those colours and many more, they stand out, much as that foliage does this time of year. But what of those trees that don't change colour, those plain ones do we love them less?

We don't all own flash vehicles that stand out, but we love them just the same because they are ours. Over two hundred vehicles were at this display day and each of them was loved by their owners and taken there to show that, that love should be shared.

Sharing our love of these great vehicles is the glue that joins us all. We each have our preferences, but are willing to see the beauty that each of us has in the love of one's own vehicle.

We also share this passion with the public when we attend such days.

The Ladies enjoyed their night off from the kitchen last meeting and I even think that the fella's also had fun washing up. We had some great reports from recent past events and it seems we are all getting out and having fun.

Our club registration day will be 23 August at Bill and Gae Flegg's home at 150 Brundah Rd, Thirlmere.

On a sad note Cherrie Mangion passed away after a long illness and will be sadly missed, we all send our heartfelt condolences to Sam and the family.

Best wishes to Eric Worner and Elaine Swinfield after their recent surgery.

Happy and Safe motoring to all

Regards Bill Flegg

MESSAGE FROM THE EDITOR- Maurice Hickman

Please contact me by email if you can contribute an item for Drive Chatter. We love to hear about all your outings & especially about your unique vehicles.

Events Report John Glennon gave this report.

Been There Done That

- ANZAC Day – good parade at Moss Vale. Four cars at Mittagong. Next year is the 100 years and expected big demand for cars.
- Sussex Inlet – 130 cars present – RSL at Sussex Inlet. Kevin Meuleman won best classic car
- Bush Council rally at Parkes – fabulous weekend. 170 cars
- Tumut – great weekend. Rained on Saturday but terrific parade (1km long).
- Berrima District Vintage Rally – only for tough men – very cold. Highlight was an old fashioned hay bale and tractors made in Australia.
- Wings over Illawarra – should be renamed “Winds over Antarctic” – 60knot winds and only the F-18s could take off. Fortunately the cars went as they became the focus as the planes couldn't fly.
- Forbes – Bi-Annual Morris Registers of Australia National Rally (113 entries). Forbes council are fabulous and put on drinks and nibbles. Put camel race on your bucket list!
- Apple Festival at Tallong attended.
- Brigadoon Chieftain event – another cold day
- Yass Antique Farming Contest – rained. Guinness Book of Records horse drawn (28 horses minus the two that bolted through the fence) ploughing event. Some people got diverted by the quality of the sausage sandwiches over the ploughing event.

- Mid-week run – went to workshop at Smeaton Grange attended by 20 cars. These are the people who fit out the aircraft for the Royal Flying Doctor Service. They were doing a re-fit. They have developed a stretcher that will go from ambulance to aircraft similar to an ironing board with a capacity to take 300kgs. They have also developed a mobile lifter and a hovercraft for mobility in the aircraft. This is all done at Smeaton Grange.
- Wheels over Wollondilly – over 200 cars attended. Greg Morrison took down 2 Rocker Covers for competition but had an unfortunate outcome. Greg did take out Commercial of the Day trophy though.
- Good Friday David Wolfe Morning Tea Avon Dam run. 17 cars attended. Normal run was held the week before.

Coming Up

- Morning Tea run on 16 May.
- Steam Festival on 17-18 May at Menangle.
- Biac – 18 May Sunday at Mittagong
- 25 May – Show and Shine at Mittagong Hospice
- Fund raising luncheon for SES on 18 June Mittagong
- Highland Cruisers – 20 July Bowral – Movie “To Please a Lady” - \$12 p/p
- 21 June – Milton Ulladulla run
- Club Day at Chris Manion’s place
- Mystery run commencing at Thirlmere
- Museum of Fire – 15 June
- Sydney Classic and Antique Truck Show
- Katoomba run – Jenny to give details to Maurice of the magazine
- Morning Tea run in July to be Christmas in July – bring a \$5 gift

Editors Report

Maurice Hickman presented this report. Drive Chatter may be late as assistant has re-located and awaiting internet connections.

Mailing list needs to be updated as members have not received Drive Chatter. Members asked to make a note in the red book so that a record can be collated. Four copies are supposed to be in the library – these have been given to our new members who attended the last meeting.

A new editor will be required after August.

Librarians Report

Library is available to all.

A motion that all reports be accepted was moved by Allan Worner and seconded by Peter Shaw. Motion carried.

General Business

John Glennon moved a motion that the club purchase the items for lunch for the Milton Ulladulla club.

Seconded Eric Worner. Passed.

Volunteer for Intranet - Ron

Registration date Saturday 23 August to be held at Bill Flegg’s at Thirlmere.

There being no further business the raffle was drawn and the meeting closed at 9.15pm followed by supper served beautifully by the men.

SATURDAY 8th & SUNDAY 9th FEBRUARY, 2014

SUSSEX INLET CAR SHOW 27th April 2014

The morning dawned overcast, and it felt rain forebode.

However a little while after settling in at our designated spot, just in front of the Inlet, the weather became warm and sunny.

Kevin Meuleman and Co in the '64 EH Holden, opted to arrive the Wednesday before, to take in some of the delights of the area; Eric and Sandra Worner in the Capri arrived Saturday afternoon; while with a visitor from overseas, Mary, I opted to drive down on ANZAC Day, after the Picton Ceremony, via Nan Thien Temple, Kiama Blowhole, and Berry, in the MGB-GT.

The Reserve between the RSL and the Inlet was full to it's 130 car capacity with the lawn beautifully manicured and lushly green.

We set up seats next to Kevin George's delightful modern Rover 75, used to come down on the morning due to his "oldie" "being out of action.

Soon a fairly sumptuous breakfast was partaken, of sausages, eggs, bacon, toast, copious cordials, tea and coffee.

Then it was the "arduous task" of wandering the grounds, taking in all the various very nice cars attending.

To appease Eric, there were 2 other Capri's in attendance, plus 3x "modern" Ford Laser based Capri convertibles, and all looking very good indeed. In fact, lots of Fords were in attendance.

34 Ford Coupe Hot Rod , fibre glass body

1932 Ford Sedan & 34 Ford Coupe.

Mary found herself the "official photographer", and herewith the results.

As usual the Meuleman's EH performed faultlessly, the Capri growled as normal and sounded brilliant, whilst the newly acquired "B" also performed faultlessly, except for picking up a nail in the left front tyre at Kiama, and although the NRMA were on their way, 2x local lads offered to assist and change the wheel for me (still suffering bad back etc from 5 yrs ago), and duly replaced, the NRMA call was cancelled.

SUSSEX INLET CAR SHOW (continued)

After looking over the cars, we retired to the seats for a chat , in the good company of fellow Club members and friends, with Mary and Sandra hitting it off well, and hitting the streets for lots of shopping, while the " boys " talked shop re cars, and solved the world's problems, in true Aussie Men's and Woman's style !!Just a little jest, ladies!

Visitors to our camp included Ray Selby's easily mistaken twin Brother, Don (?), and Al and Jenny who had left the Plymouth behind.

All in all, a great day and show; and for us, a terrific return run via Cambewarra Lookout and Kangaroo Valley, with the B exhaust note resonating delightfully off the Valley and Cliff-face walls.

Thanks to Mary for the many pics. We all hope to return for next year, and if you want to make a great weekend of it, BOOK NOW!

Cheers,

John Summerfield
