## **BDHVC President's Message**

**JULY, 2013**

Hello everyone,

Our July meeting saw us make some decisions on the future of our club magazine, these being: -

To no longer send a hard copy to other clubs, but to inform them that we were doing this and that the magazine was able to be viewed on our web site.

Also that we would now publish our magazine Bi-monthly with all members receiving a copy. By doing this we would make significant savings over the ensuing year. Our magazine is by far our greatest cost. Thus by keeping our costs down we can keep the cost of membership down as well.

A motion was also passed to not pay an auditor but to appoint club members willing to do this task and elect them at our annual general meeting.

Our Club needs you so come along to the annual general meeting and see if there is a position that you are willing to take on.

May be a position on the Rally committee or assisting on the events committee?

I have enjoyed my year as President of this great club and would like to thank all those that have worked hard to ensure that it continues to be just that.

Any Car Club with a 40 year history must have done something right.

Stay well and happy motoring Bill Flegg

**MINUTES CONTINUED****General Business****1) Financial plan for the coming year.**

A large part of our clubs ongoing costs per year are tied up in Magazine costs. A discussion was opened to the floor and resulted in a motion was moved by Kevin George that in future our club produce a Bi-Monthly Magazine and that other clubs who currently receive a hard copy of our magazine should access our web site to read the magazine if they so wish. 2<sup>nd</sup>by Robyn Betts the motion was carried.

2)A discussion was opened to the floor in regard to our cost of paying an independent auditor to review our books each year. A motion was moved by Kevin George that 2 club members each year be nominated to carry out an audit in lieu of paying an accredited auditor. 2<sup>nd</sup>by Harry Dobson the motion was carried.

Jenny Harkness asked that we discuss the auditor issue at the AGM and possibly include 3 members to audit our books. Bill ruled that since we were here to set our financial plan for the year that the motion would stand.

3)A discussion was opened to the floor re our Membership fees 2013-2014. John Holton spoke against an increase, and Tom Rolfe also asked what was the intention of the club to do with our savings. Danny Brook- ing gave his opinion that if you are here for the money you are here for the wrong reason, the reason we are all here is for fellowship and the love of our cars.

A motion was then moved by Eric Worner that Full membership be \$60 with a \$10 joining fee and that after a 3 year qualifying period Pensioner fees be \$50. 2<sup>nd</sup>by Gary Fuller the motion was carried.

Jenny Harkness raised the question of the anniversary badges for our 40<sup>th</sup> and Gary said there would be a supply for any member wanting one. Congratulations to Bill Robinson on the good job of running our monthly raffle. Could members please bring something each month until Christmas so we can offer lucky door prizes at our Christmas Party.

There being no further business the raffle was drawn and the meeting closed at 9.45 pm

*A Place to Visit**Heather Hickman June 2013 ©*

*There's a place I'd like to visit and share with you if I may  
 A place of green and sky blue, yellow and shades of grey  
 Where an arched rainbow displays a colourful array  
 And furry hares bounce swiftly from foray to foray  
 Reflecting raindrop pools are spied from a birds eye view  
 They dive, splish and splash before twittering adieu  
 There are glistening shimmering drops on intertwined trees  
 And streaky sunbeams shine through as mist lifts with a breeze  
 Twirlingly setting leaves a whirling in damp balmy air  
 'Somewhere a place to share, hold my hand and I'll take you there'*

# CHRISTMAS IN JULY AT AVON DAM

## **MEN`S SHED BOWRAL**

**WEDNESDAY 12<sup>TH</sup> JUNE.**

Thanks to Alan Worner for the invite to display cars at the 10<sup>th</sup> anniversary of the MEN`S SHED BOWRAL. The Men`s Shed is a great place for men to meet, use their skills, learn more skills, fix mum`s old chair, weld that old tow bar, ask Alan about the Shed & he will tell you he wouldn`t miss going for quids. We had a little drizzle, some good coffee and a good old B.B.Q.

## **VISIT TO MILES FELSTEAD`S SHED**

**SUNDAY 7<sup>TH</sup> JULY**

The good Lord smiled on Bundanoon today, the sun was shining, the breeze was gentle and the folk we met at Miles place were very happy and friendly.

The setting of Miles property certainly adds to the atmosphere. I was in awe as I walked into his Shed. Cars wall to wall. A few large American vintage, 5 Mini`s parked snugly in the back corner, and I suppose he`s allowed, and why not have a double decker bus in the shed, and to top it off why not build an aeroplane in there to.

A big thanks to Miles and Co. Morning tea was super Thank you Ladies.  
JOHN GLENNON.

# RUN TO GUNNING

## JUNE 23<sup>RD</sup>

Seems we have a lot of drizzle around here. We met at Twin Shells and as usual we had drizzle but we were all in a cheery mood. This is one thing I must say about our club. The atmosphere is one to cheer all.

Gunning is a small town, wide streets and a good feeling. I went with Kevin George and he spots this old Rover behind an old garage, so we ,being old blokes, we casually raced around to check it out. Opened the bonnet to find grass had grown and was hiding the motor.

Some of us went to the Merino for coffee and some to the Hotel, to share our patronage. It was a cool day with a very cool breeze up the main street. The Yass Club looked good in their Club Jacket's etc. I must give the Telegraph Hotel of Gunning a plug as it was warm inside and a friendly feeling about it . The meals were very reasonably priced and the service was quick. When you serve about 40 meals in a short period it took them , I reckon it was country Aussies having a go.

One thing that gave me a real tickle was a Yass couple. Before they got into their old canvas roofed, no windowed old Ford, they each put on two pair of gloves, two jacket's, two beanies and drove off with a smile on their faces.

We drove home via Breadalbane on the old Hume Hwy. Give it a go next time you are down that way – Thanks to the Yass Club. We must do it again sometime .

**DATES TO THINK ABOUT****1-3 NOVEMBER OUR KATOOMBA WEEKEND. (SEE PAGE 6)**

This is in my opinion a wonderful weekend when you consider the cost, the food, our cosy rooms, you eat by yourself or with friends ;

The gorgeous Three Sisters. The sun may shine, it may not, The sights of the Mountains, or you may wish to see something in Bathurst or Oberon. The Rixon Family do. You may even wish to just sit around and read a book or play cards. You can ride a train down a mighty steep incline then have a nature walk back. Saturday night how about a game of BINGO. What about our famous Poet. He may be on a world tour but he never misses the Katoomba Weekend.

### **THE BERRIMA DISTRICT HISTORIC VEHICLE CLUB**

Formed in 1973 with members who live mainly in the Macarthur, Wollondilly and Southern Highlands area. Anyone in the area who has an active interest in any historic vehicle which is over 30 years old is welcome to join our club. Our monthly meeting is held at Bargo Sportsground Hall at 8.00pm on the second Wednesday of each month. We have many regular outings and events over the year and we encourage families to join in.

We are a social club for individuals and families who share an interest in vintage and classic vehicles of all descriptions with nearly 100 members (mostly couples) and more than 150 cars, motorcycles, tractors and trucks on our register.

You don't need to own an historic vehicle and you are welcome to bring your normal car on any club outings. The advantage of joining a club, even before you have a vehicle, is the common interest and information that can be shared with fellow members.
