## **BDHVC President's Report October 2012**

Fellow Members and Friends,

Spring is in the air, and you can feel the warmth and see the new growth around all around us. What a great time of year this is, festivals in country towns and fetes at every second school. We can and do take advantage of this when we take our cars out to these events.

Many towns and areas are doing it tough and we can help these people and places by merely enjoying ourselves and each others company by participating in this type of thing.

To see the delight on a child's face when they see an old truck or car passing in a parade or sitting side by side with other vehicles is always a great feeling, and it makes you proud of your club's efforts when engaged in such events.

Club runs whether they are short local events or longer trips will help not just us to feel good, but to reassure folk that there is support from their fellow community members.

I would like to thank Dave and Eileen Auld for their great hospitality at our Rego Day. I think we all enjoyed the day lining up and sitting around with friends.

We have many things planned and our events crew are always looking for somewhere to go, so please tell them (in a nice way) of a place that may be of interest to many of us.

Next month's meeting will be Ladies night. YES we are giving the girls a night OFF. So fella's sharpen up your kitchen skills so you can look after the ladies.

At the November meeting we will be having a BBQ before the meeting so be there at 6pm-6.30pm and it will be BYO meat etc. the club BBQ trailer will be there for us all to enjoy each others company.

See you around      Bill Flegg -President

Jenny proceeded to give a full financial report for the month and Jenny moved that it be accepted 2<sup>nd</sup> by Alan Barker it was carried.

**Events Report**     John Glennon presented his Report.

- John began by noting that Karl has donated a DVD of the Mid Western Classic tour which clearly shows what a good time was had and well worth viewing.
- It was very cold for Carrington Fair but nevertheless well attended.
- Eastern creek was a big event, especially for Ford and Holden, which were lined up in front of a mixed bag on display of over 1800 vehicles, there was a good club turnout and the event was very well run.  
Rego day at Dave and Eileen Aulds went well and was enjoyed by every-one.
- At All British day the numbers were down on last year and much dominated by Jaguar with over 200 on display .A good family day with stalls and a fair.
- The Muscle Masters at Eastern Creek was a fantastic day with a massive turn out, there must have been 50-60,000 people there.
- At Woollondilly Anglican College Fair the winds must have reached 100km/hr. Maurice was kept busy by the kids
- The swap meet at Thirlmere was a much better day, it was not a large turnout but as is only the second year it will surely grow. There were some great hot rod cars on display.

**Membership Report** Barry Parsons gave this report.

As neither Brett Bateman or Harry Dobson are here to-night to receive their badges I shall pass them on to them.

**Plates Registrar** Given by Eric Worner who started by thanking David and Eileen for hosting our rego day and thanks also to all members who helped to make it such a pleasant and successful day.

No New registration this month.

We have requests from:-

Kevin Meulemann to use his car no. 23697H. on Tues 18<sup>th</sup> Sept.

**Bargo Hall Report** Maurice Hickman gave this Report.

There is to be a new floor installed in the hall at some point.

**Editor's Report** Maurice Hickman presented his report.

Apology for the suggestion that the Katoomba week-end would be \$50, this is of course only a deposit. Also note an incorrect telephone no. will be amended in the next issue. A question from the previous editor, Gerald about a reduction in size of advertisements.....Maurice stated that sizes could be determined by the necessity to reduce page numbers without losing any entries.

**Berrima Rally 2013 Report** Peter Mills gave this report.

We now have 16 confirmed entries for the rally, thanks to Maurice Sutherland for the donation of a large frame which will be used to advertise the 2013 rally at the Tulip festival. We have had a donation from the NRMA. Drafts of badges are finished and completed badges will be ready by November. Calenders are in hand from the Wingecarribee council. Shannons have promised sponsorship for 2013, though still have not have honoured their promise for 2012. In general progress is good, but members need to start thinking what they can do to contribute to our rally. Tony Alessi will be coming to the rally, and since he is moving back to the area will be re-joining our club.

**CMC and CMHC Reports** Nothing to report.

Gary Fuller moved that all reports be accepted, 2<sup>nd</sup> by Maurice Hickman the motion was carried.

**General Business**

- Gary thanked the club for the card and best wishes to his wife after the surgery to her left knee.
  - Len asked if any 1932 car had been found for Robertson, wanted to commemorate that Robertson Station was built in 1932. Bill confirmed that 2 cars have been arranged, both 1932 models
- John reminded us that his name, email and telephone no. are still being used by "Just Cars" as contact info and would like it changed. Bill assured John that this would be attended.
- Bill asked if there were any more school photos to be shown before he passed these round. Trying to identify members from their school pictures was an enjoyable interlude, some were easily recognised, some had changed little !
- Bill noted that the next general meeting will be "ladies night" and the ladies would not be required to serve supper but there will be something else for them to do .
  - A reminder to members that before Novembers meeting there will be a BBQ 6pm to 630pm start.
- Raffle prizes were drawn. \$33 was raised this evening from the raffle, thanks to Bill Robertson for organising this.

The Spirit of the Land Festival Lockhart grew out of the worst drought in Australian history and concerns over escalating rural suicides. It took shape to encourage farmers determined to survive living and working on the land to use country ingenuity and create sculptures using old farm machinery, recycled scrap metal and elements of the land.

The Farm Art attracted national and international media and major corporate sponsors enabling a \$10,000 first prize. In three years it became a finalist in the NSW Inland Tourism award and is fast becoming the "Farm Art" capital of Australia. It continues to expand supporting the best of Country Australia experiences in a two-day Festival held on the second weekend of October each year.

## BERRIMA RALLY

### 150 YEARS OF TRANSPORT

### "COACHES TO CRUISERS"

*Saturday 9th & Sunday 10th February, 2013*  
*Bong Bong Picnic Racecourse*

### **MESSAGE FROM THE BERRIMA RALLY DIRECTOR**

Our 2013 Berrima Rally continues to move forward . We are on schedule with all our planning.

The Rally Badges are being ordered and we expect arrival before Christmas avoiding the delays of Christmas and the January holidays. They are a unique design evoking the spirit of our historical theme "150 years of Transportation-Coachers to Cruisers". A real collectors item. We have a new helper to spread the word about the Rally, a large sign. The frame was donated by Maurie Sutherland and the frame design was done by Tamlyn Creative which is Jenny Harkness's Daughter in Law. I am sure you will agree that the sign is a spectacular showpiece as an advertising tool to promote the rally.

We have the generous offer from Ken and Jenny Harkness to organise and run the entertainment for the children at the Berrima Rally on the Saturday. This has filled a large gap for us in the organization of the event. It ensures we will have something for everyone. All our visitors and their children will enjoy themselves.

I look forward to receiving our members applications. We need your support to make our 38th Rally as successful as possible to celebrate 150 YEARS OF TRANSPORT.

Until next month, Peter Mills –Rally Director

## The Berrima District Historic Vehicle Club

Formed in 1973 with members who live mainly in the Macarthur, Wollondilly and Southern Highlands area. Anyone in the area who has an active interest in any historic vehicle which is over 30 years old is welcome to join our club. Our monthly meeting is held at Bargo Sportsground Hall at 8.00pm on the second Wednesday of each month. We have many regular outings and events over the year and we encourage families to join in.

We are a social club for individuals and families who share an interest in vintage and classic vehicles of all descriptions with nearly 100 members (mostly couples) and more than 150 cars, motorcycles, tractors and trucks on our register.

You don't need to own an historic vehicle and you are welcome to bring your normal car on any club outings. The advantage of joining a club, even before you have a vehicle, is the common interest and information that can be shared with fellow members.

For any further information please contact our

President Bill Flegg
